And just beyond? Stunning panoramic views of Downtown Calgary & the River valley while also overlooking a natural green space & start of the Douglas Fir hiking trail. This large 1122 sq/ft unit offers a PRIVATE ENTRANCE on the NE corner of the building, so there's no need to ever use the main building entrance. Upon entering, you're sure to be impressed the by the BRIGHT natural light completely filling the unit thanks to 3 massive windows looking out into the garden. The large living room then gives way to a spacious dining area and renovated kitchen with quartz counters, undermount sink, under-cabinet lighting as well as a breakfast bar that faces outwards towards the peaceful setting outside. Down the hall a large primary bedroom with walk-in closet is found, followed by another bedroom and a shared 4pc bathroom. Two storage rooms are found on either side of the hall, offering the space to keep everything tucked away as needed. The shared laundry room is just 2-steps outside the unit's inner building entrance, and beyond that, TWO more locked private storage rooms are found for extended safekeeping of items. The building next door also offers a workshop if some small building or painting tasks are needed. Take a step back outside the unit, and imagine sitting on the covered patio on a warm sunny day while watching birds on the feeder and taking in

the tranquility of the garden setting... Both this & building #524 next door form the Condo Corp & many owners are long-time residents that watch out for each other & offer sense of community, frequently visiting in the courtyard. Located next to the Shaganappi Point GOLF COURSE & blocks away from Westbrook C-Train Station, Westbrook Mall & the many stores & restaurants of 17th Ave, this home must be viewed in person to be fully appreciated! Don't forget to walk around the garden and look outside the gate to see the views of downtown!
