This beautifully renovated bungalow in Patterson Place offers style, function, and income potential with a non-conforming basement suite and extensive upgrades inside and out. Exterior improvements include new eavestroughs and front lighting (2024), with the roof replaced approximately 9 years ago. Inside, you'll find a host of modern updates including a Google Nest thermostat and doorbell (2021), upgraded light switches, plug-ins, and fixtures (2021), new baseboards and trim (2025), and updated carbon monoxide and smoke detectors on both levels (2025). The electrical panel, meter, and meter box were all replaced in 2025, and the home also features fresh paint and new flooring throughout. Step inside and be welcomed by a cozy living room featuring a gas fireplace, perfect for relaxing evenings. The adjoining dining area flows seamlessly into the kitchen, which offers lovely views of the backyard. The spacious primary bedroom includes private access to the back deck and a convenient 2-piece ensuite. Two additional good-sized bedrooms and a full main bathroom complete the main floor, offering both comfort and functionality for family living. Laundry is located in the basement with a new washer and dryer (2025). The fully developed basement (2025) offers a new kitchen with stainless steel appliances, pantry, and dining area. The spacious living room features a wood burning fireplace and connects with a bedroom, full bathroom and large storage room. Enjoy legal-size egress windows (replaced 2024). Furnace was replaced in 2009. Your fully fenced and landscaped backyard hosts a deck, lower patio, mature trees and a cute tree house. The insulated garage is heated with an electric unit and is plumbed for gas. A move-in ready opportunity with major updates already done for you! Book your showing today!
