This beautifully updated 2-storey home with a bonus room is tucked away on a quiet crescent in one of Red Deer's most sought-after neighborhoods. Set on a pie-shaped lot, the professionally landscaped yard offers mature trees, a spacious deck, and extra parking for guests – perfect for both relaxing and entertaining. Step inside to a bright, open-concept main floor featuring granite countertops, a stylish tile backsplash, updated lighting, and no carpet—only high-end laminate and tile throughout. The living area boasts a cozy updated gas fireplace, and the kitchen flows seamlessly to the back deck for convenient outdoor dining. A refreshed 2-piece powder room with added storage, laundry could potentially be added here, completes the main floor. Upstairs, enjoy a spacious bonus room, a beautiful primary suite with spa-inspired ensuite and walk-in closet, two additional bedrooms (each with walk-in closets), and an updated guest bath. The fully finished basement impresses with a built-in wet bar, a modern full bathroom, a bedroom with built-in shelving, and a custom dog wash station. Practical upgrades include a new A/C unit (2021), hot water heater (2021), furnace (2010), and triple-pane windows with a 24-year transferable warranty. Additional highlights: HRV system, water softener, garage heater (2020), lifetime exterior LED lighting, updated garage attic insulation, and regularly maintained ducts and vents. Appliances are newer: dishwasher (6 months), microwave (2 years), and stove (3 years). The garage includes storage shelving, and new front and back doors add curb appeal and security. This move-in ready home combines function, comfort, and style in a premier location. Don't miss your chance to own this exceptional property! (The fence and back deck will be repainted as soon as weather permits)
