Welcome to 8 Mt Copper Green in McKenzie Lake, one of Calgary's premier communities! This beautifully maintained bungalow offers over 2,650 sq. ft. of developed living space, with 1,400 sq. ft. on the main level and an additional 1,250 sq. ft. in the fully finished walkout basement. Pride of ownership is evident throughout, highlighted by a stunning, park-like backyard featuring mature trees, a manicured lawn, in-ground sprinklers, new fencing, and a spacious exposed aggregate patio—a perfect private retreat. Inside, you'll find a bright, open layout with vaulted ceilings, large triple pane windows, and thoughtful design touches throughout. The main floor features a generous great room with a cozy fireplace, a spacious kitchen, and a versatile front room that can serve as a formal dining space or den. The master bedroom easily accommodates a king-sized bed and includes a private ensuite with a soaker tub and separate shower. A second bedroom and a full bathroom complete the main level. The walkout basement is filled with natural light and offers a large recreation room with a second fireplace and built-ins, a flexible open area currently used as a workout space and pool room, (Pool Table and accessories incl!) two additional large bedrooms, a full bathroom, and ample storage. Additional highlights include a double attached garage, new landscaping, and a fantastic location. McKenzie Lake is just a short stroll away, along with two nearby schools accessible entirely via green space pathways—a safe and scenic walk for kids. You're also just minutes from Fish Creek Park, offering miles of walking and biking trails, breathtaking views, and year-round recreational opportunities. Welcome home! Some Key Features:

- Elastomeric painted stucco for long-lasting exterior protection
- New triple-pane windows for improved energy
