From the moment you arrive, you'll notice the care and attention to detail, starting with the charming curb appeal and low-maintenance synthetic lawn. Step inside through the front entry with a phantom screen and be welcomed by a bright, modern interior with a timeless color palette and wide-open spaces perfect for family life and entertaining. The heart of the home is the chef-inspired kitchen, featuring a large island, light grey shaker cabinetry, quartz countertops, a walk-through pantry, and premium stainless steel appliances including a gas range. There's ample counter space and storage, all tied together with contemporary finishes and functionality. Adjacent to the kitchen is a spacious dining area and an inviting living room with a sleek gas fireplace, and to the left of the fireplace, there's a perfect nook for a home office or reading space. Large windows and patio doors flood the main level with natural light and lead out to a generous tiered deck and a sunny west-facing private oasis for summer barbecues or quiet mornings. Upstairs, the luxurious primary suite features a large walk-in closet, and a spa-inspired ensuite bathroom with double vanity and stand-alone tub. The upper level also includes three additional bedrooms — offering space for a growing family or guests — a bonus room perfect for movie nights or playtime, a stylish main bathroom with quartz counters, and a convenient laundry room with high-efficiency front-load

washer and dryer. The fully finished basement continues the same high-end finishes and cohesive design. It offers a fantastic layout with a large recreation room, a fifth bedroom, and a beautiful full bathroom with a quartz vanity and soaker tub — ideal for guests or extended family. Additional features include a welcoming mudroom with custom lockers, central air conditioning, water softener, a double garage, and a concrete driveway offering plenty of extra parking. Located in the exclusive community of Riverstone in Cranston — known for its natural beauty, scenic trails, and rolling hills — this home offers easy access to parks, playgrounds, schools, shopping, restaurants, and the South Health Campus Hospital.
