Welcome to The Ven, perfectly located in a quiet, pet-friendly pocket of vibrant Sunnyside—one of Calgary’s most walkable and desirable inner-city neighbourhoods! Built in 2015 and lovingly maintained by the original owner, this spacious 2-bedroom, 2-bathroom main-floor condo blends modern design with everyday comfort. Inside, enjoy soaring 9’ ceilings, a bright open layout, and a sleek contemporary kitchen with gas range, stainless steel appliances, quartz countertops, a breakfast bar, slow-close drawers, and rich cabinetry—ideal for both cooking and entertaining. The generous primary bedroom features a tray ceiling, updated fan with lighting, a walk-through closet with a custom-built organizer, and a beautifully appointed ensuite with marble counters and a large tiled glass shower. The versatile den works perfectly as a second bedroom, home office, or creative space, and is paired with a full second bathroom featuring a tub/shower combo and matching marble counters. The living room opens to your extra-private, oversized patio with a gas BBQ hookup and direct access to a quiet residents-only walkway—perfect for pet owners or anyone who loves easy indoor-outdoor living. Additional perks include in-suite laundry, a titled underground parking stall, storage locker, bike storage, underground wash bay, and a workbench room for ski or snowboard tuning. Just steps from the Sunnyside CTrain station, off-leash dog park, playground, and Kensington’s cafés, shops, and restaurants—this is urban living at its best in a serene, tucked-away location.
