With an exceptional layout, the great room faces the front, accompanied by a cozy lounge equipped with a gas fireplace and the kitchen and dining room in the rear of the home overlooking the private backyard. The gourmet kitchen elevates daily living with high-end appliances, modern dual-tone cabinetry, a reverse osmosis drinking water system, and a full-size pantry — a rare luxury in inner-city infills. Upstairs you'll find a stunning primary suite with custom king-bed nook and spa-like ensuite featuring a soaker tub and romantic double-sided fireplace. Two more generously sized bedrooms with custom built-ins in every closet, a four piece bath and laundry room complete the upper level. The bright basement maximizes livability with high ceilings, oversized windows, a fourth bedroom and third full bathroom — the perfect retreat for guests or older children. Well maintained mechanicals include a water softener and radon mitigation system. Outside, the southwest-facing composite deck captures endless summer sunshine. Banff Trail is an established community offering easy access to downtown with a quick 5 minute walk to the LRT Station. It's an amazing location for those who commute to The University of Calgary, SAIT, ACAD, and The Foothills Hospital.
